Mono Laser MFPs

## Samsung SCX-4835FR/5639FR/5739FW Mono Laser Multifunction Printers

The business world is an ever-evolving one. And companies today are taking a long, hard look at how to simplify, drive productivity, save money and be environmentally responsible in the workplace.

The Samsung SCX-4835FR/SCX-5639FR/SCX-5739FW mono laser multifunction printers have been designed to do precisely that. With speeds up to 37 ppm, an array of productivity-enhancing features, and extra-high yield toner cartridges, everything about these intelligently designed devices is engineered to make your workday simpler. They're the ultimate workgroup MFPs for businesses looking to reduce costs, increase productivity and improve workflow, more productively and more efficiently. It's that simple.

## Unrivaled simplicity.

Simplicity brings many benefits. Like giving you the freedom and peace of mind to concentrate on your business. The Samsung SCX-4835FR/5639FR/5739FW multi-function printers are designed for intuitive operation and exceptional ease of use. Go ahead, you do your job. We'll do ours.

### Work Intuitively

When you're in a hurry, Samsung won't slow you down. The SCX-4835FR and SCX-5639FR feature a four-line LCD that lets you negotiate functions intuitively. And the SCX-5739FW makes it even easier with a big, beautiful 4.3" touch screen LCD.

### Wireless in a Single Touch

Samsung MFPs connect easily with Hi-Speed USB 2.0 and 10/100/1000 Base TX Ethernet. The SCX-5739FW is even simpler, with one-touch connection to WiFi. Just press the Wi-Fi Protected Setup button on the control panel and it's done.

### Nothing Can Stop You Now

Samsung's Anti-Jam Technology means a smoother, uninterrupted workflow. Our anti-jam roller is specifically engineered to minimize misfeeds and paper jams.

### Easy Sharing, Easy Printing

Document Box (SCX-5639FR/5739FW) facilitates easy sharing and printing. With up to 4GB of internal storage space (SCX-5739FW), documents can be saved from your server, email, fax and printer, then quickly emailed, faxed or printed at the touch of a button.

## Software that simplifies.

**Samsung SyncThru Web Service** Uses a web interface to remotely manage your printer device, enabling you to check status information, customize settings and receive email alerts.

**SyncThru Web Admin** Provides proactive monitoring and remote management of your printer fleet through an easy-to-use dashboard. Remotely configure and update devices, keep track of supplies and create powerful analyses and reports.

**Samsung SmarThru Office** Creates, stores and edits scanned images, and delivers them directly to applications or folders on the user's PC.

**Samsung Barcode Printing** Integrates seamlessly into enterprise applications to improve efficiency of automatic data collection processes.

**Samsung CounThru 2** Enables you to remotely monitor activity, as well as calculate and manage the costs of your entire printer network.

## There's power in productivity.

Simple functionality. Versatile features. Impressive speed. They all add up to a new level of productivity. Innovatively designed to handle whatever comes your way, the Samsung SCX-4835FR/5639FR/5739FW MFPs deliver print, copy, scan and fax performance that boosts productivity.

### High Speeds

Samsung is known for delivering market-leading technology. So you can rest assured that printing large documents with the Samsung SCX-4835FR/5639FR/5739FW MFPs will be a breeze. With a 600MHz dual-core processor and up to 768MB memory, expect fast productivity day in and day out.

### Ready to Work

With an impressive duty cycle of up to 80,000 prints per month (SCX-5639FR/5739FW), you can be sure your Samsung MFP can easily handle everything you need it to. You'll be up and running in no time, too, with a First Page Out Time (FPOT) of just 6.5 seconds.

### Built-In RADF

The built-in 50-sheet duplexing Reversible Automatic Document Feeder (RADF) enables you to scan both sides of a two-sided, multi-page document without having to stop and turn it over. Think of all the time you'll save. And you'll do it all with a resolution of up to 1200 dpi. Scanning has never been faster or easier.

### Flexible Productivity

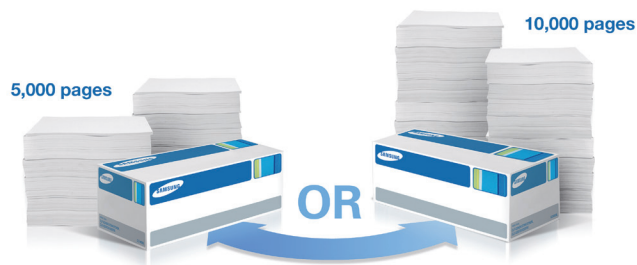

Samsung MFPs give you the power to print a wide range of documents in-house. Supporting a wide variety of media types, from specialty papers and envelopes to card stock up to 58 lbs., you can always count on impressive, professional results.

## Save the planet. Save time.

If you can save the planet and increase efficiency at the same time, why wouldn't you? The intelligently designed Samsung SCX-4835FR/5639FR/5739FW MFPs make it easy. Our innovative technology makes things easier on both you and the environment.

### Extra-High Yield Toner

Samsung SCX-5639FR/5739FW MFPs give you more for your money. Extra-high yield toner cartridges allow you to print large documents easily and economically. With each cartridge printing up to 10,000 pages, you achieve a lower cost per page and lower total cost of ownership. You also make fewer trips to the MFP to replace cartridges, saving time.

### Eco Mode Button

Customize your settings to save even more, with built-in features like duplex, n-up and TonerSave mode, which reduces toner usage by up to 40% with just a touch of the Eco Mode button.

### See Results with Result Simulator

With Samsung's unique Result Simulator, you can see exactly how much CO<sub>2</sub>, electricity and paper you've saved with the setting you've selected. It's an easy way of seeing how you're helping the environment.
